The Security Council,

Expressing its appreciation towards the signatories of the Juba Peace Agreement for their contributions to escorting humanitarian aid convoys to the affected areas of the Sudan civil war,

Recalling its past resolutions and presidential statements on the matter of the border between Sudan and South Sudan, with special regards to the status of the Abyei region, specifically resolutions 1990 (2011), 2024 (2011), 2032 (2011), 2046 (2012), 2104 (2013), 2116 (2013), 2156 (2014), 2228 (2015), 2251 (2015), 2287 (2016), 2318 (2016), 2352 (2017), 2412 (2018), 2465 (2019), 2519 (2020), 2609 (2021), 2660 (2022), 2630 (2022), and 2708 (2023), and statements of its President on the issue at hand,

Expressing its appreciation towards the Secretary-General's continuous reports on the status

of Abyei and the region as a whole,

Noting the continued efforts demonstrated by the Secretary-General's Special Envoy in the Horn of Africa and the Under Secretary-General for Peace Operations regarding the situation in Abyei,

Recalling the signature of the Comprehensive Peace Agreement in 2006 by both Sudan and the Sudan People's Liberation Army,

Further recalling the letter written by the Secretary-General to the President of the Security Council dated April 8th 2024,

Taking into account the Communique of the 1209th Meeting of the African Union (AU) Peace & Security Council (PSC) on the 18th of April 2024 and the AU Roadmap for the Resolution of the Conflict in the Republic of Sudan, adopted within the 1156th meeting of the PSC,

Emphasising the need to respect the national sovereignty, integrity of all countries involved and the need for thorough cooperation to formulate a solution to this conflict, as well as the importance of working collectively to prevent the destabilising effects of regional disputes,

Reaffirming the basic principles of peacekeeping, including consent of the parties, impartiality and non-use of force, except in self-defence and defence of the mandate,

Taking note that the situation in the Republic of Sudan continues to constitute a threat to international peace and security in the region,

Recognizing that the current situation in Abyei and along the border between the Republic of Sudan and the Republic of South Sudan continues to constitute a threat to international peace and security,

Having considered the report of the Secretary-General and the letter of the Secretary-General (S/2023/305),

Keeping in mind the intended purpose of the peacekeeping troops as stipulated in Resolution 1590 (2005),

1. **Requests** the complete and unconditional withdrawal of all sanctions placed upon the Republic of Sudan and the Republic of South Sudan by individual members of the international community, with immediate effect upon passing the present resolution;
2. **Calls for** the establishment of an enhanced security zone within the Abyei region, encompassing contested areas or areas of strategic significance, resource-rich zones, traditional grazing routes, cultural or religious sites, and areas with ambiguous administrative boundaries, to be jointly monitored by UNISFA and local community representatives, resolving outstanding issues, with the aim of:
 - a. mitigating tensions and preventing conflict between armed groups or militias,
 - b. facilitating the safe return of displaced persons and refugees,
 - c. creating conditions conducive to the peaceful resolution of outstanding issues related to the Abyei region;
 - d. offering medical services to those in need who have been wounded or injured;
3. **Calls upon** Member States to cooperate fully with efforts to establish and maintain the demilitarised zone within the Abyei region, including:
 - a. refraining from deploying military forces or supporting armed groups within the buffer zone,
 - b. providing access to humanitarian organisations and UNISFA for the delivery of assistance and monitoring activities within the zone;
4. **Decides** to raise the authorised troop ceiling of UNISFA to 15,000 personnel until the end of the extension set in resolution 2708 (2023), unless a change is deemed necessary sooner by the Security Council;
5. **Authorises**, under Chapter VII of the United Nations Charter, the restructuring of UNISFA to be split into two divisions, placed under two generals that will respond directly to the Acting Head of Mission and Force Commander and the Deputy Force Commander respectively, and act as follows:

- a. one division of 10,000 troops will maintain its presence in the Abyei region to ensure the demilitarisation of the area by both signatories of the Comprehensive Peace Agreement (CPA) and continue to provide training to the police force of Abyei,
 - b. one division of 5000 troops split into companies of no more than 500, that will be tasked with monitoring the Safe Demilitarized Border Zone (SDBZ) alongside the JBVMM initiative by air and land alike;
- 6. **Decides** that the mandate and area of jurisdiction of UNISFA will include, alongside the tasks established in paragraph (2) of resolution 1990 (2011) and paragraph (1) of resolution 2024 (2011), the following functions:
 - a. Establish team site locations across the SDBZ in the vicinity of the 10 border crossing points agreed upon in the JPSM meeting of 23 April 2013,
 - b. Provide training and escorts to members of the JBVMM,
 - c. The capacity and jurisdiction to militarily escort humanitarian aid workers to their designated area of work,
 - d. Establish camps in the vicinity of all major towns and cities in the region of Abyei, and maintain a permanent presence within;
- 7. **Further decides** to temporarily establish the centre line of the Safe Demilitarized Border Zone, as set out in the Agreement on Security Arrangements between The Republic of Sudan and The Republic of South Sudan, along the demarcation line known as the January 1st, 1956 line between north and south, until the agreed disputed areas can be permanently settled under the supervision of the Permanent Court of Arbitration;
- 8. **Declares accordingly** to extend the transitional period of South Sudan by a further 6 months, to August 2025, due to concerns about the fair outcome of the elections, which could be influenced by the volatility of the conflict, and further decides to authorise the government of South Sudan to postpone the elections from December 2024 to no later than June 2025;

9. **Proclaims** to amend the details of the UNMISS, as follows:
- a. Raise the authorised troop ceiling of UNMISS to 20,000 personnel and the law enforcement officer ceiling to 2500 personnel,
 - b. Extend the UNMISS mandate, as established in paragraph (3) of resolution 2677 (2023) until the 30th of April 2025;
10. **Calls for** the initiation of a new and inclusive referendum process in the Abyei region to determine the final status of the region in accordance with the CPA and the Abyei Protocol, through:
- a. mobilising voter registration teams equipped to reach local communities, and ensuring their inclusion in the voter registration process,
 - b. conducting targeted voter education campaigns using community leaders, local elders, and traditional communication methods, to ensure that nomadic and rural populations are informed about the referendum process,
 - c. appointing mobile electoral teams composed of representatives from relevant international bodies, including UNISFA, to oversee the referendum process within nomadic and rural areas, ensuring, inter alia, their representation and participation in all stages of the electoral process,
 - d. implementing flexible voting procedures, such as extended voting periods and mobile ballot collection, to accommodate for electoral inconsistency;
11. **Decides** to extend the mandate of UNISFA until 30 November 2025 as set out in paragraph 2 of resolution 1990 (2011) and acting under Chapter VII of the Charter of the United Nations,
12. **Further recommends** to extend until 30 November 2025 the tasks of UNISFA as set out in paragraph 3 of resolution 1990 (2011);
13. **Authorises** the establishment of The International Identification and Relocation Programme (IIRP), under the supervision of the United Nations High Commissioner for Refugees, which will undertake the following tasks:
- a. Issue identification and travel documents for the refugees, to relieve the pressure put on the Republic of South Sudan's administration,
 - b. Ensure the security of the refugees during the relocation process, by:
 - i. Conducting thorough background research for refugees, to

ensure that they are not affiliated with any known criminal or radical organisation,

- ii. Implementing previously tested biometric recognition systems, to properly identify each person and prevent any inaccuracies that might occur with physical documents,
- c. Enforce the compliance of the human rights and dignities by all entities involved in the conflict, according to the Universal Declaration of Human Rights and subsequent documents;
- d. Redirecting refugees to already existing programmes and facilitating means of communication between the refugees and organisations such as:
 - i. International Non-Governmental Organisations willing to help through any means,
 - ii. International Development Cooperation Agencies,
 - iii. International Committee of the Red Cross,
 - iv. World Food Programme;

14. **Requests** the Panel of Experts to provide a midterm update a Committee of the Security Council consisting of all the members of the Council - herein “the Committee” - no later than 31 May 2024, and a final report no later than 1 January 2025 to the Security Council, after discussion with the Committee, and also that they include information, as appropriate, inter alia about recent trends in the illicit transfer and diversion of conventional weapons and about the commercially available components which have been used by individuals or entities designated by the Committee to assemble weapon systems, and bearing in mind that this request should not harm humanitarian assistance or legitimate commercial activities, whilst taking into account the Report (S/2021/839) in this regard and cooperating with other relevant expert groups established by the Security Council to support the work of its Sanctions Committees, in particular, the Analytical Support and Sanctions

Monitoring Team;

15. **Urges** all parties and all Member States, as well as international, regional and subregional organisations to ensure cooperation with the Panel of Experts, whilst involving themselves to ensure the safety of the members of it, and unhindered access, in particular to persons, documents and sites, for the Panel of Experts to execute its mandate;
16. **Supports** the ongoing efforts of the International Committee of the Red Cross and regional humanitarian organisations in providing assistance and protection to vulnerable populations in the Abyei region, whilst calling for sustained support and cooperation from the international community to ensure the effective delivery of humanitarian aid and services;
17. **Calls upon** the International Court of Justice (ICJ) to enhance civilian oversight of their security apparatus, to continue to adopt and implement appropriate and quality control procedures of all defence and security personnel, including human rights control and, as appropriate, prosecute individuals responsible for violations of international law, including international humanitarian and human rights law
18. **Requests** that peacekeepers sent to and already working in the Republic of South Sudan, Abyei box, and the Republic of Sudan undergo sensitivity training to ensure that ethnic tensions do not degenerate with the deployment of troops;
19. **Proclaims** that all Member States must promptly implement necessary measures to limit the direct or indirect provision sale, transfer of arms and related materials of any regional actors within or surrounding the Abyei region, as well as individuals and entities designated by the JBVMM, and those acting on behalf of or under the direction of either the Republic of Sudan or the Republic of South Sudan, in order to mitigate the risk of unauthorised individuals and entities acquiring possession of those, which include:
 - a. Weapons and ammunition,
 - b. Military vehicles and equipment,
 - c. Paramilitary gear and spare parts thereof,

d. Technical support;

20. **Requests** the Secretary-General to inform the Security Council once every 60 days on the level of implementation of the UNMISS in South Sudan and of the progress being made towards the complete implementation of the Revitalised Peace Agreement of 2020;

21. **Decides** to instate changes in the UNMISS mandate:

a. The military personnel being split into two divisions, each answering to a high commissioner of the UNMISS, placed under direct jurisdiction of Special Representative of the Secretary-General (SRSG) and Head of UNMISS, to be more effectively able to tackle split initiatives;

b. The advisory part of the mandate, being authorised to begin organising a committee to draft a constitution for the Republic of South Sudan, advancing the implementation of the Revitalised Peace Agreement;

22. **Decides** to remain actively seized of the matter.
